

ALPHALABS

Private label & Contract Manufacturing

ABOUT US:

Alpha Lab is one of Pakistan's leading contract manufacturers for Aerosol, Perfumery and Personal Care products.

We provide end-to-end contract manufacturing solutions from concept to creation.

As a complete turnkey solution, we offer all aspects of development from concept designing, formulation and packaging development to manufacturing, filling, and quality and stability control.

MR. OMER CHAWLA

DIRECTOR & CHIEF EXECUTIVE OFFICER OF ALPHA LABS

Mr. Omer Chawla is the Director and Chief Executive Officer of Alpha Labs. A graduate of Brunel University, London, he brings a forward-thinking, process-driven leadership style that has fueled the company's growth and technical excellence.

With expertise in formulation science and product innovation, he drives research and development across perfumery, personal care, and home care, ensuring every formulation meets the highest standards of quality, efficacy, and safety.

A believer in systems, precision, and continuous improvement, Mr. Chawla has cultivated a culture of discipline and innovation, positioning Alpha Labs as a trusted partner and leading contract manufacturer. His strategic vision continues to guide the company toward global recognition in manufacturing excellence, blending innovation, technology, and customer-centricity for sustainable growth.

MR. HASSAN CHAWLA

DIRECTOR & CHIEF OPERATING OFFICER OF ALPHA LABS

Mr. Hassan Chawla is the Director and Chief Operating Officer of Alpha Labs. A graduate of Suffolk University, Boston, with specialized Fragrance Technical Training from the Grasse Institute of Perfumery, France, he blends business acumen with technical expertise to drive innovation and operational excellence.

His leadership focuses on efficiency, process optimization, and client satisfaction, ensuring Alpha Labs delivers products that balance creativity with commercial viability. By aligning production capabilities with strategic goals, he has strengthened the company's position as a leading contract manufacturer in perfumery, personal care, and home care.

Under his guidance, Alpha Labs continues to pursue operational excellence, offering world-class products that embody reliability, innovation, and international standards.
